

TYPICAL ISO 9001 CERTIFICATION COSTS

Typical costs for various size organisations are shown below. Firm quotations are normally provided following receipt of a completed *Request for Quotation* form.

APPLICATION FEE: The standard application fee is £150 plus VAT.

DAY RATES: WCS use standard day rates that vary depending on the certification scheme. Typically the standard day rate for ISO 9001 is £695 plus VAT. For multiple days auditing WCS will review the contract and can apply a discount to this day rate. Day rates exclude hotel and travel and these will be invoiced separately. When required WCS can quote an all-in day rate that includes hotel and travel.

AUDIT REPORTING: The quote / contract provided by WCS will include audit duration for onsite activity and the duration assigned for planning and report writing. Standard day rates apply although for off-site work WCS can invoice for half day rates.

TECHNICAL REVIEW: A standard charge of £150 plus VAT will be invoiced to cover technical review, certification decision and certificate issue.

TYPICAL AS 9100 CERTIFICATION COSTS

Audit duration is taken from the mandatory AS 9104/1 that states minimum audit duration for an organisation based on the number of employees. For more complex scopes increased duration from the minimum is expected.

APPLICATION FEE: The standard application fee is £250 plus VAT.

DAY RATES: WCS use standard day rates that vary depending on the certification scheme. Typically the standard day rate for AS 9100 is £1000 plus VAT. When required WCS can quote an all-in day rate that includes hotel and travel.

AUDIT REPORTING: The quote / contract provided by WCS will include audit duration for onsite activity and the duration assigned for planning and report writing. Standard day rates apply although.

It is a mandatory requirement within the AS 9100 scheme that all organisations are registered on the IAQG OASIS website. All audit reports and copies of any certification documentation have to be uploaded to this site. The charge for 3 years IAQG OASIS entry and uploading of documentation is £650.

Audit duration within the AS 9100 scheme is usually multiple days. For this reason, hotel accommodation will normally be required. The policy of World Certification Services is to use Premier Inn or equivalent and will be charged at cost.

Depending on the location of the organisation the travel costs may apply. Economy rail or train fair will be charged. If required clients can arrange travel in order to reduce costs.

TECHNICAL REVIEW: A standard charge of £150 plus VAT will be invoiced to cover technical review, certification decision and certificate issue.
